Integrated Command and Control Centres and the ambulance services should be operated effectively

Inspect paddy purchase centres regularly and ensure farmers face no difficulty

Strengthen arrangements of cow shelter places : CM

Lucknow: 19 October, 2020

Expressing satisfaction over the decrease of 37,000 in the numbers of Covid patients, Chief Minister Yogi Adityanath ji on Monday directed the officers to maintain effective arrangements for prevention & treatment of Covid-19. He said that better contact tracing, surveillance and awareness is a strong link to contain Covid-19.

Presiding over unlock review meeting at his official residence, the CM also said that special caution should be observed to control Covid-19 spread in Lucknow and district administration and health department should communicate with the hospitals to improve Covid recovery rate.

The CM also instructed the SGPGI to provide special medical consultation to L-3 Covid hospitals and KGMU to L-2 Covid hospitals through virtual ICU. The

Integrated Command and Control Centres and the ambulance services should be operated effectively.

The CM said that at present, paddy purchase is being carried out under the price support scheme. He directed that the paddy purchase centres should be inspected regularly to ensure that the farmers do not have any inconvenience.

Giving directions to further strengthen the management of cow shelters, the CM said that fodder etc. should be available in abundance. Regular medical inspection should also be carried out at the shelters.
